Sheridan College (2013 – 2015)

PROFESSIONAL SUMMARY

Frontend developer with strong communication & problem-solving skills, passion for technology and dedicated to continuous learning.

DEVELOPER EXPERIENCE & CONTINUOUS LEARNING

SELF-LEARNING

- Built Portfolio Frontend website with React, Tailwind CSS and hosted on Netlify.
- Built several personal Frontend and Backend projects (the code is available on GitHub and recent project demos are available on the Portfolio website).
- Updated knowledge of Frontend and Backend technologies from several online learning sources such as LinkedIn Learning: *Build a Faster, More Structured Express API with Node.js and TypeScript* and Udemy: *React Front To Back*.

VACATION RENTAL WEBSITE (2023 - 2 months part-time)

- Designed website and created a prototype for the client using Figma.
- Built the website using Next.js, Tailwind CSS and hosted it on Netlify.

SALON WEBSITE (2021 - 3 months part-time)

- Designed website, logo, color scheme for graphics and images for marketing.
- Created website with WordPress, hosted on GoDaddy and updated online presence on Google/Google maps.

OTHER WORK EXPERIENCE

DELIVERY DRIVER, UBER EATS (March 2021 – Current, part-time)

- Consistently completed orders accurately and in a timely manner.
- Excellent Communication with the support team and customer.
- Provided excellent customer service consistently receiving good ratings.

ASSET PROTECTION SPECIALIST, HOME DEPOT (November 2016 – August 2022)

- Investigated external and internal theft, fraud, prepared case reports, collected evidence, communicated with law enforcement and testified in criminal and civil court for the prosecutor.
- Trained new specialists, trained store staff, communicated activities to store management and responsible for partnering with all nine stores in the district.
- Investigated and apprehended Shoplifters following company policies and best practices, partnering with law enforcement and store management.

SALES ASSOCIATE, HOME DEPOT (April 2014 – November 2016)

- Received an award for having maintained a high level of customer satisfaction and consistently received positive reviews from customers.
- Provided customer service across multiple departments and consistently improved knowledge of new and existing products.
